

EC-CERTIFICATE OF FACTORY PRODUCTION CONTROL

0809 – CPD – 0790

In compliance with Council Directive 89/106/EEC of December 21, 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Aluminium profiles

which are intended to be used as structural products in construction works

placed on the market by

Mäkelä Alu Oy

Mäkeläntie 2
Fi-62830 Luoma-aho

and produced in the factory

Mäkelä Alu Oy

Mäkeläntie 2
Fi-62830 Luoma-aho

are submitted by the manufacturer to the initial type testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0809 – VTT Expert Services Ltd - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 15088:2006

were applied.

This certificate was first issued on June 26, 2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factories or the FPC itself are not modified significantly.
