

AluCallOff®

AN ALUMINIUM PROFILE DELIVERY SERVICE

“Continuous availability with no need for separate ordering, and you do not need to maintain the warehouse yourself. This is **AluCallOff®**.”

MÄKELÄ ALU

Customer benefits

- » In the delivery service we maintain the profile stock on your premises for you. This guarantees continuous availability for your production in accordance with your needs, without separate ordering or delivery periods.
- » Warehouse capital and warehouse turnover management are made easier, since the AluVendor®-program maintains warehouse balances and restocks in accordance with an agreement.

Operating model

Features of the AluCallOff®-service

- » Profile delivery service
- » The AluVendor®-program for balance monitoring and restocking orders
