

AluStorage[®]

A STORAGE AND RESTOCKING SERVICE FOR ALUMINIUM PROFILES

“Our storage service is like having your own completely outsourced warehouse. You don't need to use any separate space or time for storage – handy!”

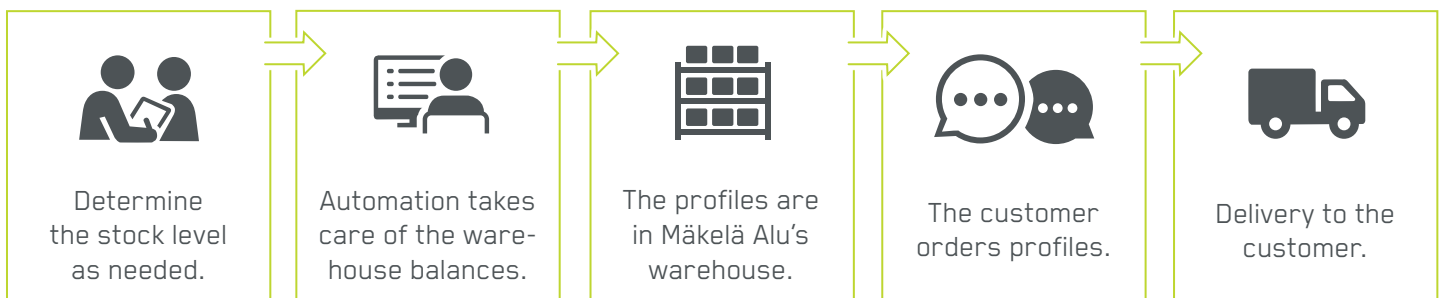

MÄKELÄ ALU

Customer benefits

- » Aluminium profiles are stored in our warehouse in Luoma-aho.
- » Warehouse maintenance and restocking take place automatically as agreed. You save time and money. The system makes sure that there is always the agreed amount of goods in the warehouse to suit the customer's needs.
- » Can be combined with our coating service, AluCoating[®], which means your stored profiles will also be coated as needed.

Operating model
